Alexandria, VA 22313-1450

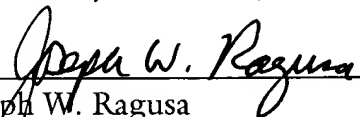

Dear Sir:

Submitted herewith is one set (seven sheets, eleven figures) of formal drawings, plus four annotated sheets, for filing in the above-identified patent application. Kindly substitute the enclosed formal drawings, including those sheets marked Replacement Sheets, for the informal drawings submitted with the originally filed application. Reference numerals have been added to several of the figures; however, no new matter is being added.

The sheets that include added reference numerals are marked Replacement Sheets, and each has a corresponding Annotated Sheet showing the changes in red. The figures that are simply formalized versions of the originally filed figures bear no such designations.

Dated: June 15, 2005

Respectfully submitted,

By
